The POST Program is designed specifically to mitigate the active shooter threat in our schools. It is based on the highly successful commercial airline "armed pilot" program and has widespread law enforcement support. Schools in multiple states have armed school employees. **The POST Program is the most comprehensive program we have found in the country** and it is a low-cost solution.

Assist us in protecting our students and teachers by:

- Visit the website and researching the subject
- Sign up for our weekly newsletter (click on NEWSLETTER link on website)
- Follow us on Facebook & Twitter
- Spread the word on this common sense solution
- Attend your next school board meeting and ask them to:
 - Allow a briefing on the POST Program
 - Consider a 6-month test program
 - Vote on the issue
- Contact every member of your school board and express your support of POST (Use our website's TAKE ACTION link)
- Vote on November 4th
- If your school board won't take action on this important issue, consider running for school board (filing deadline is August 13th)
- If you are a school employee and POST is adopted in your school, consider volunteering so you can protect yourself and your students

You need to take action if you want to protect our students and teachers.
